		PTC100™ / 200™ / 220™ / 221™ / 225™ / 240™																																				
384 well block	PTC200™ / 220™ / 221™ / 225™ / 240™																																					

¹ Short product code shown only (without details on frame and well colour), please refer to the corresponding product page for ordering details of all variations available.

² For compatibility information of the Vari-Plates™ please refer to the table entry for the respective Vari-Plate™ frame.

Ⓜ Recommended option ✓ Compatible • Should be compatible, please check with your specific instrument/block TA Compatible with separated Tear-A-Way™ Plates, only

The individual instrument-plate compatibility information is for guidance only. Samples of all plates are available before purchase to ensure compatibility. Please check installed heat block, refer to instruments manual for details or contact our technical support.

4titude® recognises that designated trademarks and brands of the Instrument Compatibility Table are the property of their respective owners.
